Oslo Skøiteklub is growing! We are looking for an experienced and passionate figure skating coach to join our coaching team and contribute to our continued success. The position can be temporary or permanent, to be further decided in dialogue with the right candidate.

About Oslo Skøiteklub

Located in the heart of Oslo, our skaters enjoy top-tier facilities at Sonja Henie Ishall and Frogner Stadion. As the only skating club in Norway, we proudly offer high-level training across short track, speed skating, and figure skating. Our figure skating division is our largest, with approximately 230 skaters, about 35 of whom actively compete.

The club is well-organized and financially stable. We hold operational responsibility for all winter activities at Sonja Henie Ishall and Frogner Stadion, and we regularly host the annual Sonja Henie Trophy.

Who we are looking for

We are seeking a competent professional with extensive experience in figure skating who enjoys working with athletes of all ambition levels. You should be able to:

- Significantly contribute to developing every skater, and in some cases, taking them to an elite level.
- Bring enthusiasm, a deep understanding of the sport, and strong technical expertise.
- Recognize and nurture each individual skater's unique motivation.
- Demonstrate well-developed communication skills.
- Work strategically to benefit the club community, while still seeing and supporting each athlete individually.

Core Responsibilities

- Delivering high-quality on ice and off ice training.
- Choreography and competition preparation.
- Traveling to competitions, primarily within Norway, as well as some international events.
- Collaborating closely with the Club Manager and the Board to further develop club strategies.

What we offer

The work will mainly take place during afternoons, evenings, and weekends, with specific hours to be agreed upon. For the right candidate, we can offer adjacent administrative tasks within the club in addition to the coaching responsibilities.
