

FIGURE SKATING COACH AT STAVANGER KUNSTLØPKLUBB (STAVANGER FIGURE SKATING TEAM)

Stavanger Kunstløpklubb (SKK) is looking for a skilled and experienced coach to join our coaching team, starting as soon as possible

Stavanger Kunstløpklubb is a large club by Norwegian standards, with about 80 active skaters and another 70 in our skating school. The club also has 2 synchro teams as well as a recreational skating group. The club is well organized. SKK hosts one or two national competitions per season.

Stavanger is an active ice-sports city, currently with four rinks available for figure skating/hockey and one in-doors arena for speed skating.

You will be responsible for:

- All the club's skaters
- Varied and motivational on-ice and off-ice training
- Preparing programmes for all competition skaters
- Accompanying skaters to competitions and tests
- Cooperating with our 2 full-time coaches in planning the training sessions
- Coordinating activities with the club sport's committee
- Promoting skaters to other levels in the club
- Preparing programmes and shows for Christmas and season ending
- **Skills and qualifications:**
- You are qualified and have a recognised figure skating coaching education, and preferably with experience from other coaching jobs.
- You speak English or one of the Scandinavian languages.
- You are engaged, motivated, enthusiastic, patient and have a lot of drive
- You have the ability to "see" and motivate all skaters and identify their potential
- You have good interpersonal skills both with other coaches and with the club's sports oversight committee

We offer:

- An exciting workplace with athletes as the natural centre.
- Good working conditions
- A well organised club management
- Competitive salary to be agreed upon

Please apply by mail, attaching your CV and two references from previous employment
