# Øvelsesutvalg Singel 2021-2022

## Clarifications

### **Limitations Program Components (only applicable for Debs, Debs A, Novice, Novice A, Junior, Junior A, Senior, Senior A):**

*If a program contains a Fall or a Serious error, the maximum scores are listed below:*

Skating Skills, Transitions, Composition: Maximum score 9.75.

Performance and Interpretation: Maximum score 9.50.

*If a program contains Falls or Serious errors, the maximum scores are listed below:*

Skating Skills, Transitions, Composition: Maximum score 9.25.

Performance and Interpretation: Maximum score 8.75.

Serious errors are interruptions during the program and technical mistakes that impact the integrity/continuity/fluidity of the composition and/or its relation to the music.

### **Jump Elements:**

**\*Sequence:** A jump sequence consists of 2 (two) jumps of any number of revolutions, beginning with any jump, immediately followed by an Axel type jump with a direct step from the landing curve of the first jump to the take-off curve of the Axel jump.

**Jumps which do not satisfy the requirements** (including wrong number of revolutions) will receive no value, but will block a jumping box, e.g. 1A instead of a required 2A will block a jumping box and receive no value. If a triple jump is required, but not executed, the last double jump in the program (excluding Axel type jump) will not count and receive no value.

**More than required jump combinations:** If more than maximum jump combinations is executed, the combinations in addition will be marked with +REP. Example: 2LO+REP+2T\*

### **Jumps landed downgraded, underrotated and on the quarter:**

Full rotation: signs "q", "<" and "<<" indicate an error. The sign "q" keeps the original base value of the jump, but will affect the GOE. The base values of the jumps with a sign ("q", "<", "<<") are listed in the SOV table. The jump with a sign << is evaluated with SOV for the same jump one revolution less.

**Correct take-off edge in F/Lz:** signs "e" and "!" indicates an error. The base values of the jumps with a sign ("e", "!") are listed in the SOV table. The sign "!" allows to keep full original base value of the jump.

**Multiple error signs for the same jump:** In case of multiple signs applied to the same jump, the base values are listed in the SOV table.

### **Spins:**

**Biellmann position after Layback spin: short program - after 6 revolutions in layback spin for Novice A, Novice, Debs A, Debs.**

## Øvelsesutvalg Singel 2021-2022

### Bonus:

- Only one bonus can be awarded per program. Only the highest valued bonus of the successfully executed jumps **shall** be awarded.
- The bonus is awarded by the Technical Panel. It is the responsibility of the Technical Controller and the Referee to ensure that a bonus is correctly awarded.
- In all doubtful cases the Technical Panel will act to the benefit of the skater.
- The Technical Panel will award the bonus in accordance with the rules of the current season.
- In order to be awarded a bonus, the landing phase of the jump must have a running edge (excluding Bonus C and D alternative 2). A running edge is defined as gliding, but not a complete stand-still, by the blade after the blade hits the ice upon landing the jump.
- No bonus will be awarded if the following errors occurs:
  - fall
  - step-out (including cases where the skater unintentionally adds a LO or something similar to a Lo during the landing phase)
  - two foot landing or touch with free foot
  - e or ! on the takeoff edge of F or Lz
  - q (except bonus C and D alternative 1)
  - <
  - <<
  - hand or hands touching the ice during the landing phase
  - any turn during the landing phase (except bonus C and D alternative 2).

#### **BONUS A (applicable for Cubs u13/o13, Springs u14/o14, Debs, Debs A, Novice, Novice A)**

3 points for a triple jump landed on one foot fully rotated with a running edge.

#### **BONUS B (applicable for Cubs u13/o13, Springs u14/o14, Debs, Debs A, Novice, Novice A)**

2 points for a 2A landed on one foot fully rotated with a running edge.

#### **BONUS C (applicable for Cubs u13/o13, Springs u14/o14, Debs, Debs A, Novice, Novice A)**

1,5 points for a triple jump landed on one foot with a running edge and a q (alternative 1) or a triple landed on one foot fully rotated with a three turn or double three turn on the landing foot (alternative 2).

#### **BONUS D (applicable for Cubs u13/o13, Springs u14/o14, Debs, Debs A, Novice, Novice A)**

1 point for 2Aq with a running edge (alternative 1) or 2A landed on one foot fully rotated with a three turn or double three turn on the landing foot (alternative 2).

#### **BONUS E (applicable for Debs, Debs A)**

0,5 points for 2Lo, 2F and 2Lz landed on one foot fully rotated with a running edge.

#### **BONUS F (applicable for Cubs u13/o13, Springs u14/o14)**

0,5 points for three different double jumps landed on one foot fully rotated with a running edge.

Please check ISU Communications, ISU Regulation and ISU Technical Handbook for details. **Changes may occur according to ISU changes/ or printing error.**
